A cookie is a file containing an identifier (a string of letters and numbers) that is sent by a web server to a web browser and is stored by the browser. The identifier is then sent back to the server each time the browser requests a page from the server. Cookies may be either "persistent" cookies or "session" cookies: a persistent cookie will be stored by a web browser and will remain valid until its set expiry date, unless deleted by the user before the expiry date; a session cookie, on the other hand, will expire at the end of the user session, when the web browser is closed. Cookies do not typically contain any information that personally identifies a user, but personal information that we store about you may be linked to the information stored in and obtained from cookies. We use Google Analytics to analyze the use of our website. Google Analytics gathers information about website use by means of cookies. The information gathered relating to our website is used to create reports about the use of our website. Words must be solved one at a time. The first four words are chosen for you. It's up to you to save the game! Play All 3 Game Modes with different length words ranging from 4-11 Letter words! Privacy Policy Each guess must be a valid 5 letter word. Hit the enter button to submit.After each guess, the color of the tiles will change to show how close your guess was to the word. Examples The letter C is in the word and in the correct spot. The letter A is in the word but in the wrong spot. The letters C, O, M, F, Y are not in the word in any spot.When you type a guess in sedecordle, you will guess that word for all sixteen words that you are solving. All sixteen words you are solving will be different. For the guess WORLD: The top left word has none of the letters. The top right word has the R in the wrong spot and the D in the correct spot. The bottom left word has the L in the wrong spot. The bottom right word has the O in the right spot and the D in the wrong spot. You have 21 guesses to get all 16 words correct. Good luck! A new sedecordle will be available each day! Sedecorder is similar to the original Sedecordle game with the following changes: Only one unsolved word is visible at a time. Once you solve a word, the next board is unlocked. There's a counter that shows how many guesses are left. Added quick jump buttons to header to let you quickly switch between words Those buttons also light up if you got a word right. Introduced patch notes onto home screen. Cleaned up the scorecard at the end, fixing spacing... and replacing clocks with two-digit numbers. (thanks @sanityormadness)! back new Q W E R T Y U I O P A S D F G H J K L Z X C V B N M
