Schools administrators can update and expand their school's profile at any time, free of charge (view sample expanded profile). To update your school's data: Step 1: If you are a school administrator and would like access to your School's Member Area (where you can update your profile, track online inquiries, list open-houses, post photos of your school, and list job-openings) please request your log-in info here. Step 2: After registering, you will receive details for logging-in to your School Member Area. Input your log-in details below. See our Terms of Service. RATINGS College Success Award These are some of the best public high schools in The School District Of Osceola County at preparing students for success in college. The College Success Award recognizes schools that do an exemplary job getting students to enroll in and stick with college, including those that excel at serving students from low-income families. ACADEMICS ACADEMICS Academic Summary ACADEMICS Parent Tip Many successful high school students end up in remedial math courses in college. Is your student prepared for college-level math? Ask this district how they ensure students are well-prepared.
