All DPD items are sent by express tracked next day service with a dedicated one-hour delivery window. On occasion, and to improve your delivery service, we may use alternative courier services. Batteries & Fragile GoodsFor fragile goods such as batteries, lamps, and light fittings, we try to use a local delivery service where possible. Regardless of the courier, your goods will be thoroughly packaged to ensure they arrive in the best possible order. 1m+ Length deliveriesProducts 1m+ need a special delivery method with a cost of £35 ex.VAT per bundle. We aim to provide a next working day service for 1m+ deliveries, however, it may take 1-2 working days. Pallet Deliveries Larger products require a pallet delivery in order to safely ship these products to you. Pallet deliveries are £150 ex.VAT and can take 1-3 working days but, in most instances, arrives in 1-2 working days. We endeavour to keep you updated on your delivery, however, please be advised that this might just be a named day service within normal working hours. Back-ordersAs one of the UK's leading suppliers of electrical & renewable goods, we have strong relationships direct with the manufacturers. If an item is out of stock, you can still place a back-order to be the first in-line when that item is back in stock. We usually see out of stock items back in stock within 3-5 working days and dispatched immediately. Whilst every effort is made to ensure that the stock availability of products displayed on the site is accurate; all goods are subject to availability. If on receipt of your order we find the goods you have ordered are no longer available from stock, we will inform you as soon as possible. Please note we do not allow collections from any of our warehouses *Working days are classified as Monday to Friday and exclude bank holidays.
