DEVANTI 3.2L Portable Ice Cube Maker Cold Commercial Machine Stainless Steel The party is going great but ice is running low. It is times like these that you wish you had an instant ice machine to save the drinks (and the party). Well your wish has just come true with the Devanti Stainless Steel Ice Cube Maker. Capable of making 24 cubes every 13 to 18 minutes depending on the water and ambient temperatures, the portable ice cube maker can also do three different sizes of its crystalline square-shaped ice cubes. That works out to about 18kg on demand over a 24-hr period. Just select your size option on the LCD display and press start. You can easily monitor the water level or when the ice cube container is full and an automatic indication when the water level is low. Other great features include a large heat dissipation fan for excellent cooling, convenient water drainage plug and non-slip feet for a stable operation. Not least, the ensemble works ever so quietly and complies with current Australian standards. Features Portable countertop design Stainless steel casing 24 ice cubes per cycle Crystalline square-shape ice cubes Up to 18kg of ice per 24 hours 3.2L water tank LCD display panel On/off timer setting Adjustable ice sizes Ice full and low water level indication Non-slip feet Convenient water drainage plug Large heat dissipation fan High efficiency and energy saving Quiet operation Suitable for home and commercial use Meets Australian standard Note: Slowly remove protective film from body Specifications Power voltage: AC220-240V/ 50-60Hz Body casing: Stainless steel Power rating: 240W Water tank capacity: 3.2L Ice making capacity: 18kg/ 24hr Ice bin capacity: 1.1kg Cycle: 24 cubes Colour: Silver Package Content 1 x DEVANTI Portable Ice Maker 1 x Ice Scoop 1 x User Manual We're getting everything ready for you. The page is loading, and you'll be on your way in just a few moments. Thanks for your patience! Our phone lines are currently out of service. We are working on a quick resolution. Please contact us via our live chat or on email at admin@mygenerator.com.au END OF MONTH POWER DEALS Portable Refrigeration > Ice Makers> Devanti 3.2L Stainless Steel Portable Ice Maker, 1 Year Warranty. Capable of making 9 cubes every 6 minutes (that's 15kg in 24 hours in case you're counting), the Ice Cube Maker can also do three different sizes of its crystalline bullet-shape cubes. Just select your size option on the LCD display and press start. It's really that simple. You can easily monitor, through the inspection window, the water level or when the ice container is full and there's even an automatic shut-off when the water level is low. A convenient water drainage plug lets water out easy too. The entire countertop unit comprises a stainless steel casing for durability and has non-slip feet to keep it firmly in place. It operates ever so quietly and efficiently and the large fan keeps the heat dissipated effectively without causing any bother. Not least, the Ice Maker is suitable for both home and commercial use. Features: Portable countertop design Stainless steel casing 9 ice cubes in every 6 minutes 9 stainless steel evaporator spikes Up to 15kg of ice per 24 hours Up to 19.5 hours timer setting 3.2L water tank LCD digital display screen 3 ice sizes selectable Bullet shaped ice Ice full and low water level indication Inspection window Non-slip feet Convenient water drainage plug Large heat dissipation fan High efficiency and energy saving Fast but quiet operation Suitable for home and commercial use Package Content: 1 x Ice Maker 1 x Ice Scoop 1 x User Manual For details relating to this product's warranty CLICK HERE For details relating to our delivery process CLICK HERE Best Sellers From This Category: \$385 RRP: \$538 Save: \$153 Free Shipping Free Shipping \$299 RRP: \$425 Save: \$126 Free Shipping Free Shipping
