Hentais de terror

On the surface level, true horror and hentai anime do not blend well. Only a handful of stories provide sexual gratification to their audience while, at the same time, getting fear, anxiety, suspense, and atmosphere right. On the other hand, would you be able to masturbate if things get too gory or a show contains one too many jumpscare?However, Halloween is not about anguish and violence. It's about telling spooky stories, eating candy, maybe wearing a funny/creepy costume, and, overall, laughing at our biggest fears. Or...fapping to horror-themed hentai anime. To get ourselves in the Halloween spirit, let me recommend you 10 hentai anime with horror elements. Weird boners incoming! translate Original Title悪魔力ナジョ THE ANIMATION loyalty Genres Anthology, Comedy, Fantasy, Harem, School, Supernatural loyalty Episode 1 Themes Exhibitionism, Femdom, Futanari, Incest event, note Date Dec. 2013 - Feb. 2016There's a rumor circling around a cursed DVD, and two girls have their curiosity get the best of them. Take this as a modern, more obscene version of Koji Suzuki's The Ring series...sans Sadako.Mika transforms into a succubus and now must avoid her crush, Kazuya, from seeing her. Otherwise, her succubus instinct may take over and make her go after him. As for Kana, she's convinced by her two friends to check out the cursed DVD, and the next thing she notices is a dick dangling between her legs. The closest person in her vicinity is her little sister Mai, and she'll be the one to help Kana deal with her erect member.Koakuma Kanojo did fall off in quality in Episode 2, focusing on an elf and a human. Elves are fair game on Halloween, but Episode 2 plays out like a regular hentai anime. Plus, the art style has changed for the worse. Still, Episode 1 is superb, with a cursed DVD story of a succubus in love and a futanari who wants to get rid of her boner. The art style and animation make for a wild and sweaty experience. translate Original Title漆黒のシャガ THE ANIMATION event, note Date Feb. 2017 - Sep. 2019Ushiwaka belongs to the Genji Clan, and yokai across the land want him dead. A crow yokai named Shaga literally swoops in to help the boy fulfill his destiny by protecting him from harm, be it from humans or yokai. The two travel across the yokai-stricken lands of Japan while meeting friends and foes alike as the nation slowly plunges into darkness as yokai conquer kingdom after kingdom.Shikkoku no Shaga's story is extensive and engaging, but it also includes several side stories involving female yokai. Not all of them lead to a happy ending, though. Most yokai prey on humans by seducing them, playing around with their carnal desires before eating them in the most brutal way. But of course, the opposite is true with stories of a man and yokai falling in love and wanting nothing more but peace and freedom from prejudice.There's a lot to like about Shikkoku no Shaga. The sex scenes, both brutal and intimate, are very well done. As for the monsters, there's a spider yokai, a clam, a snake, and more. But that's not all. The yokai sex scenes go into detail, like a man shoving his hand inside the spider's abdomen and, uh...stroking the yokai's web sac? I'm no spider expert. But yeah, that's just a taste of what to expect in Shikkoku no Shaga. Oh yeah, don't forget to watch the director's cut version of Episode 3 for a yokai orgy! translate Original TitleBible Black Final Edition menu book Source loyalty Genres Horror, Hardcore, Harem, School, Supernatural loyalty Episode 1 Themes event, noteTaki has found his way to the locked basement of his school, filled with symbols drawn in blood. As he explores the abandoned room, Taki finds a magic book rumored to have belonged to a group of students who had studied black magic. All around, there are signs of people brutally killed... Maybe these rumors were true, and they actually sacrificed people to summon a demon?The curious man reads the book and unwittingly chants a spell with immediate effect. All his classmates succumb to lust and start fucking in front of everyone at school! This abnormal behavior catches the attention of school nurse Reika, who knows a thing or two about the magic book.Bible Black, in all respects, is one of the most iconic hentai anime ever made. A true classic that mixes popular hardcore hentai tropes with occultism. I wouldn't say Bible Black will scare the shit out of you, but it does include occult elements, like demonic symbols, rituals, and human sacrifice. Furthermore, Bible Black's visuals perfectly match its dark tone, with non-cartoonish character designs, extremely detailed sex scenes, and an unsettling plot. translate Original Titleトイレの花子さん狂騒強盗囃子 loyalty Genres loyalty Episode 1 Themes event, note Date Feb. 2021 - Sep. 2021There's nothing much to say about Toilet no Hanako-san vs. Kukkyou Taimashi. This title is as straightforward as you can get, and that's all you ever want in a horror-themed hentai anime. The story begins with monk Masurao arriving at a haunted school where Hanako of the Toilet is causing accidents, illnesses, and death to whoever approaches the vicinity. Masurao's task is to find Hanako and exorcize her using not prayer nor holy water but his divine cock. Each episode of Toilet no Hanako-san vs. Kukkyou Taimashi boils down to Hanako sending her fellow evil spirits after Masurao, only to get raped by the monk. It's a blunt tactic, but it works for Masurao. The variety of sex is sparse, and it's mostly Masurao pinning his victims and spraying his cum on their mouths and pussy until they're purified. Still, it makes up for it with a good cast of evil yet totally fuckable spirits. Two of the ghost girls don't appear too often in hentai anime, so that's another incentive to watch Toilet no Hanako-san vs. Kukkyou Taimashi this Halloween. translate loyalty Genres Anthology, Lolli, Supernatural loyalty Episode 1 Themes event, note Date Sep. 2018 - Feb. 2019Takeshi, the protagonist of Tiny Evil's first story, is a loser with suicidal tendencies...but there's only one way for him to end his life. If Takeshi's leaving this world, a succubus better fucks him to death! In the second story, starting in Episode 3, a cursed doll is so infatuated with her owner that she rapes him and his girlfriend without hesitation.Coming face to face with a demon or a cursed doll would be frightening in a different context; in hentai anime, it's just another opportunity to fuck a cute, promiscuous lol and let her take the lead. At first, both have little disregard for their victims, but things get better as Miyu and Nina discover the many joys of sex.Miyu constantly wrings Takeshi dry of cum, making sure she extracts every last drop, casting spells on Takeshi's dick to keep it erect. In the case of Nina, she has grown attached to her owner for not discarding her, showing appreciation by raping the man time and time again. translate Original Title魔界に眠る王女のアドローム THE ANIMATION menu book Source loyalty Genres Horror, Hardcore, Supernatural loyalty Episode 1 Themes event, noteHomura, Mia, Yachika, Kippel, Rikana, and Seijirou, are a diverse stereotypical cast of dumb teenagers trapped in a haunted mansion. But they're not alone. An unspeakable evil lurks in the shadows.Fukai ni Nemuru Oujo no Abaddon is your classic horror story akin to summer popcorn horror flicks in the West. Episode 1 is good at setting in the mysterious atmosphere, and the purple tentacle monster poses enough of a threat to keep you on your toes. Although scarce, the sex is also pretty enjoyable, especially a full-blown lesbian scene that's way too good for this hentai anime. Unfortunately, there hasn't been a sequel for a couple of years now, so we may never know what the future holds for these kids. Still, FukaiNemu is decent for a horror hentai anime, with the right amount of everything. translate Original Title学園優待 ×× of the DEAD menu book Source loyalty Genres Horror, Hardcore, School, Supernatural loyalty Episode 1 Themes event, note Date Apr. 2017 - Oct. 2017The city is overrun by zombies, so Houichi and some of his friends don't attend the school. But not everything that sounds like a good idea ends up being one. Eventually, Houichi and his friends must figure a way out while dealing with other survivors or those infected.Gakuen Shinshoku is similar to Fukai ni Nemuru Oujo no Abaddon, but it feels more complete. It has more characters, better action, and more varied monster rape scenes. The survivors must fend off a massive tentacle monster that rapes women and turns men into tentacle zombies to rape more women. We also get some monster impregnation and light vore to mix things up!This hentai anime comes with a cast of stereotypical teenagers, excellent art, and high-quality animation. You can expect the reluctant hero, the high school sweetheart, several dumb side characters, and rape fodder. Although Gakuen Shinshoku's ending does hint at a sequel, don't build your hopes up. That's to be expected in stories like this one, with their cliffhangers and sequel baiting... translate loyalty Genres loyalty Episode 1 Themes event, note Date May 2017 - Jan. 2018In the outskirts lies a haunted mansion filled with treasure and untold mysteries. Treasure hunters across the land dare and failed to unravel the mansion's secrets and get out alive because a powerful ghost with a visage of a fair young girl guards the place. Bullet is another treasure hunter braving the mansion, but is his experience enough for him to have a chance? Hint: Bullet underestimates the ghost girl, and she slowly strips away Bullet's memories, letting her take over.Residence is split into two arcs. One is the story of a treasure hunter fighting to keep his sanity intact against the girl's evil magic that robs him of his identity as a man. The second act is about how the girl acquired her demonic powers and what happened to her family.Now, you must be thinking, what's so scary about getting gender swapped by a possessed lol? Bullet is subjected to mental torture, and no secret is safe from the girl because she can read his mind, too. Throughout the series, Bullet is in this constant life-and-death struggle as the ghost slowly chips away his mind through rape and sexual temptation. Add in the oppressive yet exquisite visuals and the sexual torture, and Residence becomes a fine example of psychological horror in hentai anime. translate menut book Source loyalty Genres loyalty Episode 1 ThemesFensee people are kidnapped and forced to participate in a series of sex games if they want to escape. Failure to follow the rules will result in a game over...literally.Keisuke is the only male in the group, and the game assigns him as the "door opener." The girls are the "keyholes," and all challenges involve the guy doing whatever the rules dictate to the girls. Fuck one of them very hard twice? Looks simple enough. But what if the game gets more and more violent? And what if the girls are no strangers to Keisuke?As the story progresses, we learn that Keisuke is sadistic and enjoys every bit of torture he inflicts on the girls. Euphoria is shocking, disturbing, ultraviolent, and a window to see what a human being can do to another in order to survive. It's a survival horror hentai anime through and through, and it doesn't even need monsters. translate Original Title八咫狭間巡り 異形怪奇譚 THE ANIMATION loyalty Genres Horror, Hardcore, Shota, Supernatural loyalty Episode 1 Themes event, note Date Nov. 2016 - Dec. 2017A female taxi driver picks up a man stranded in the rain, and out of the kindness of her heart, she lets the man dry up inside the car for free. The man notices the driver is very tall, which reminds him of a story about a young boy and his life-threatening encounter with a yokai. So, the passenger tells his version of the 8-Foot Tall Lady story to the taxi driver to pass some time.8-shaku 8-wa Kerakumeguri is the perfect hentai anime for Halloween because of the unsettling way sex is portrayed. Nevertheless, these scenes are intimate and show the yokai's adoration for the boy and how cautious she is at handling him, especially considering her gargantuan stature. The unnervingly pacing, creepy visuals, and accurate portrayal of one of the most well-known yokai in Japanese folklore make 8-shaku 8-wa Kerakumeguri.
