Delhi high court order list

High Court Case List: With this system, users can search for Orders/Judgments based on Party Name, Case Number, Court Number, or Order Date. The cause list provides information about upcoming cases and judgments. Judgment Information System: This Delhi Government initiative enables citizens to register online using their Aadhaar or Voter ID, allowing them to schedule an appointment with the District Magistrate (DM) if they have grievances. Community Hall Feedback: Users can provide feedback on their experiences with community halls maintained by the Delhi Development Authority (DDA). This helps improve facilities and services, ensuring better community engagement and satisfaction. Fresh Arms Licence Application: The Delhi Police provides a downloadable application form for a Fresh Arms Licence. Instructions are also available to help users fill out the form correctly. Online Grievance Lodging: Citizens can lodge their grievances online with the Lieutenant Governor of Delhi by filling out an online form, providing details such as name, contact information, and grievance description. Stolen Vehicle Status Check: The Zonal Integrated police Network (ZIPNET) provides an online service to check the status of stolen vehicles in eight North Indian states, including Delhi. Users can search for stolen vehicles based on FIR/DRC date range and state or by entering vehicle details like type, registration number, engine number, and chassis number. A complete list of stolen vehicles is also accessible. Archive Next
